Lightology

Touch Universal Wireless Master Dimmer

SPEC # LEG183770

BRAND Legrand Adorne

DESCRIPTION

Touch Universal Wireless Master Dimmer is available in a Magnesium finish. The Touch Dimmer features a stunning translucent face and operates just like an iPod - simply press your finger on the circle to turn lights on and off, or use the arrows on the right to dim them. This dimmer includes wireless capabilities, allowing you to pair it with a remote wireless dimmer in another location to control a light from two places without rewiring. Must be paired with adorne Touch Wireless Remote Dimmer. Master dimmer must be wired to light. Designed to support incandescent, halogen, MLV, fluorescent, and forward-phase ELV bulbs. Loads can be a combination of different lighting types. 1.77 inch width x 1.77 inch height. Wall plates sold separately.
