

BRAND Humanscale

DESCRIPTION

Featuring advanced LED technology, the Element 790 combines aesthetics with unmatched lighting performance. Using only six watts to produce incandescent lighting levels, the Element series boasts a 50,000-hour lifespan of 25 years of daily use in a typical 9-to-5 office environment. The upgraded Element 790 version also offers an expanded color palette and an intuitive dimmer control to offer seven levels of light intensity and greater energy savings. 6 watt, 120 volt, LED light source included. 8W x 18H x 28 inch maximum reach.
