DESCRIPTION

La Diva is an LED light and music system specifically designed for your iPod or iPhone*. It combines multiple functions in one light, compact object, eliminating clutter and stealing the scene no matter where you place it. Even when the lamp is closed, it is an FM radio and speaker system for a connected computer, MP3 or CD plater. Insert your iPod or iPhone by releasing the retractable docking station drawer. Sound quality is full and rich. Pressing a button opens the die-cast aluminum lamp arm. Included remote governs every function on LaDiva. Available in a white painted aluminum, dark gray anodized aluminum, or black anodized aluminum finish. Supplied with (1) 5 watt Cree Warm White LED light source. 7.3W x 14.8H. Exclusively at Lightology! *Not compatible with iPhone 5 or later.
