DESCRIPTION

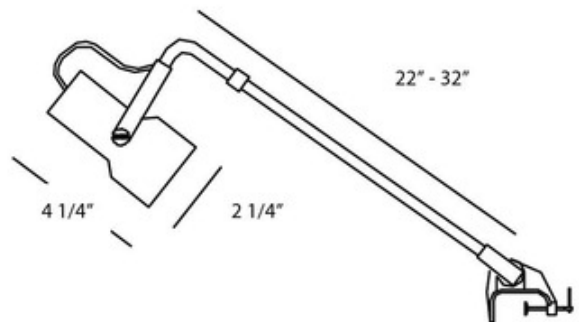

DL-007 Low Voltage Display Light features an aluminum head and connector, periscoping arm is steel, and clamp is heavy duty polycarbonate. Available in Black finish. Yoke and swivel aiming feature allows for a full range of vertical and horizontal orientation ideal for use on wall partitions, display booths, and portable work areas. Large locking screw assures the aiming angle is kept in place. Accepts 12 volt halogen GU5.3 MR16 lamps up to 50 watts, not included. Includes 2 inch clamp which mounts to flat surfaces with tension clamp, accommodating widths of 2 to 2.5 inches, and 10 foot cord with 60 watt Class II 120 volt to 12 volt electronic plug in transformer. UL listed. Dimensions: 2.25 inch width x 4.25 inch height x 22 inch minimum to 32 inch maximum length. Optional mounting clamps and framing projector accessory available, sold separately.
