

BRAND Qlocktwo by Biegert & Funk

DESCRIPTION

Qlocktwo Spanish Touch Clock makes you pause and allows a different view of time. Spanish language version. The typographic front combines the moment with the written word and makes it a statement. A matrix with symmetrically arranged characters lights up to form words. The front panel of Qlocktwo is supported by eight magnets. Clock comes with wall assembly and solid acrylic glass stand for the standing version. Magnetic front panel is interchangeable and is made of stainless steel or polished acrylic glass in lime juice, cherry cake, vanilla sugar, frozen blackberry, dark chocolate, blue candy, or black. Power cord extensions with colored textile cover are also available, sold separately. Color front panel also available in different languages. 110V low energy consumption power supply with LED technology. Dimensions: 5.3 inch width x 5.3 inch height.
