

BRAND Maxim Lighting

DESCRIPTION

Convert 20 Watt LED Flush Mount is available in a Satin Nickel finish with White glass. Now you can convert a standard 3.25 inch outlet box to a low profile LED fixture. Converts design allows for the driver to install into the electrical box which creates a fixture with only a 1 inch extension from the ceiling. High efficiency and smooth dimming down to 5 percent makes this an excellent choice hallways, kitchens, and utility lighting. UL listed for damp locations. Dimmable with standard Lutron or Leviton CL dimmer.
