

DESIGNER Antonio Citterio & W. Oliver
BRAND Flos Lighting

DESCRIPTION

Lastra linear suspension provides direct light with individual fixture aiming. Flat wire is configured to represent a circuit board laminated onto the clear glass. Six 35 watt 12 volt MR11 GU4 base halogen lamps are housed individually in glass diffusers over a series of louvers (lamps included). Transformer included. 16 ft. Stainless steel cable (included). General light distribution. Made in Italy.
