

BRAND Hunza Lighting

DESCRIPTION

The Mouse Halogen Step Light is designed for vertical surface mounting in gardens and landscapes. Available in Solid Bronze with a frosted tempered shatter resistant glass lens. A space in the wall behind the luminaire is not required for cable connection due to the design which includes a cable joint cavity. There is no light directed upward or forward into the eye. IP66 rated for wet locations. Required transformer and optional accessories sold separately. Dimmer type dependent on type of transformer/power supply selected (low voltage electronic or low voltage magnetic).
