

Saggina 12 Light Ceiling Mount SPEC # LGT38737

BRAND

Lightology Collection

DESCRIPTION

Saggina 12 light ceiling mount features diffused lighting, made with copper wires, with the following finishes: polished chrome, brushed gold, copper and white. The shape given to the copper wires personalises the lamp. Hand bendable arms are field bent to create desired form and shape. Available in a 12, 24 and 48 light option as well as a suspension, ceiling mount, wall/ceiling mount, table and floor lamp version. Twelve 20 watt, 12 volt, JC G4 base halogen lamps included. Low voltage magnetic transformer included. General light distribution. Made in Italy. Height is adjustable 15.75 to 31.50 inches. Diameter is adjustable 19.69 to 43.31 inches.
