DESCRIPTION

The SM Series functional and multi-purpose standard 2 light strips provide general illumination for indoor and damp applications. There is no diffuser for this fixture. Fluorescent lamps are exposed. These product features include snap assembly of ends, socket bars and wire way cover and requires no tools. Fixtures can be mounted individually or in continuous rows for surface or suspended mounting. Applications include light commercial, industrial, retail, coves and displays. Heavy-duty channel is die-formed from 22-gauge steel. Electrical connections are made inside the wire way. Standard mounting holes and wiring knockouts are included. Energy Star Rated. Two 32 watt, 120 volt, T8 bi-pin base fluorescent lamps included. 4.75W x 3.25H x 48L.
