

DESIGNER Alfredo Haberli  
BRAND Luceplan USA

DESCRIPTION

Sky solar outdoor landscaping light features a transparent glass diffuser. Finish available in aluminum, white and chestnut. Available in a 11 and 27 inch high option. Sky is an outdoor lighting system, equipped with latest generation solar cells. When exposed to the light of the sun, Sky can release intense illumination comparable to traditional light sources, with zero consumption. Eight LED with photo voltaic cells and rechargeable batteries included. Designed for energy saving lamps, Sky is also available in versions with fluorescent or with high-efficiency LED with electronic power supply. UL listed. Eleven inch version: 7.87W x 11H. Twenty-seven inch version: 7.87W x 27H.
