DESCRIPTION

Z-Bar Slim LED Desk Lamp is the sleek and slim version of the original Z-Bar. Featuring an award-winning three-bar design for maximum reach and flexibility, Z-Bar Slim also has the super-adjustable LED head that can spin in its socket, sweep side to side, and rotate around the end of the arm to point in any direction. The touchstrip is located near the LED head for easy access. Slide your finger along the strip to dim gradually, or touch the strip anywhere to jump directly to any brightness, including off. Available with a Metallic Black or Silver finish. Integrated 8.5 watt 120 volt LED light source with choice of Warm White (3500K) or Cool White (4500K) color temperature. Available with a variety of base and mounting options: standard table base, table base with USB port, power base with AC outlet and USB outlet, grommet mount, through-table mount, one piece desk clamp, two piece desk clamp, hardwired wall mount, standard wall mount, or slatwall mount. UL listed.
