DESCRIPTION

Istanbul Bell Wall Sconce is available in a Satin Nickel finish with Silver and Red Feathers or Green and Red Feathers glass. The glory of glass and the Ottoman Empire are captured here in marvelous hanging fixtures and sconces. An undulating pattern is captured in glass, then accented with contrasting color. The piece-de-resistance are the handmade beads which are threaded on the suspending cord and also dangle from the finial. The overall result is a show stopping collection unlike any lighting in the marketplace. Mouth-blown in Murano, Italy. No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty. One 75 watt, 120 volt A19 type Medium base Incandescent lamp is required but not included. 11 inch width x 16.5 inch height x 7.5 inch depth. UL Listed.
