

BRAND

Smart & Green

DESCRIPTION

Point Bluetooth LED Outdoor/Indoor Lamp is perfect for lighting up indoor and outdoor settings. This waterproof, egg-shaped lamp is rechargeable and designed to thrive. With an extensive array of colors, the Point Lamp also changes colors automatically, providing exciting visual interest. To perform tasks such as changing the color, timing, dimming, and even have multiple products communicate with each other, simply download the Smart and Green app. Using Bluetooth mesh technology without a WiFi network, you can control various scene modes from your own smartphone. The portable LED lamp is wireless, unique, and fun. IP68 rated for wet locations. 50,000 hours life expectancy. Efficient energy saving light. Bluetooth connected. Shock-proof. Floatable. Note: This product is designed to float on water and can be used in pools and other wet locations. Do not charge when wet.
