DESCRIPTION

The Skydro Halogen Electrified Ceiling Light is made from ABS injection-molded reflective unit and lighting unit in die-cast aluminum with painted steel bearing structure. Due to the modularity of the system, it is possible to obtain a number of configurations simply by adding extra units. Available in an electrified and non-electrified version. One 200 watt R7s 120V halogen lamp included. Also available in an LED version. 56 1/8 inches wide x 53 9/16 inches long x 16 9/16 inches high. UL listed.
