DESCRIPTION

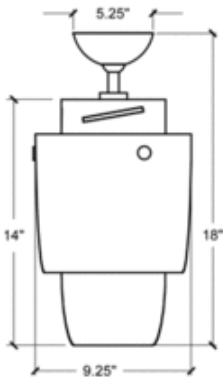

The Halo Ceiling Fan with Light is a classic integration of form and function, combining a refined aesthetic with state-of-the-art air movement and quality lighting. The Halo Ceiling Fan stands out as a fixture that functions equally well as a luminaire as it does a ceiling fan. Available with a Textured Nickel motor with Opal glass or a White Gloss motor with Amber glass and Nickel or White blades. Two lamping options. One 3 inch and one 9 inch downrod are included. HAL: One 75 watt 120 volt JCD G9 base halogen bulb is included. CFL: One 26 watt 120 volt GU24 base compact fluorescent bulb is included. 52 inch width x 18 inch height. Includes handheld remote which controls fan and light separately. Provides three speeds and full-range dimming for halogen or On/Off switching for compact fluorescent and includes wall-mounting bracket. UL listed for damp locations.
