BRAND Visual Comfort Modern

DESCRIPTION

Crossroads Freejack Pendant was inspired by the sheen of big city streets and intersections illuminated at night. Composed of sheets of raw steel protected with a clear lacquer coat and accented by brass spot welding at the joints, this suspension fixture has a purposefully imperfect, rugged, industrial design. Compatible for use with 1-circuit and 2-circuit Monorail track systems or Freejack canopy. Includes one 12 volt, 50 watt halogen bi-pin lamp. Supplied with six feet of field-cuttable suspension cable and a Freejack connector. Freejack canopy required if used as a monopoint, sold separately. LED canopy compatible with both halogen and LED lamp options. Dimmer type dependent on system transformer (low voltage magnetic or electronic).
