

Snoot

The Snoot prevents glare and focuses the projected light from the lamp. The MR16 Snoot (ST16) requires a Louver Lens Holder (sold separately) when used with Low Rider, Low Rider Spinner, Chopper and Vespa. The ST16 can be used with the Scope fixture head, utilizing the SCO-A louver lens accessory (sold separately). The MR16 Pro Aim Snoot (STP16) fits inside all Pro Aim fixture hoods. The PAR30 Snoot fits inside the Atlas LED hood.

Weight

0.05 lb (.023kg)
