DESCRIPTION

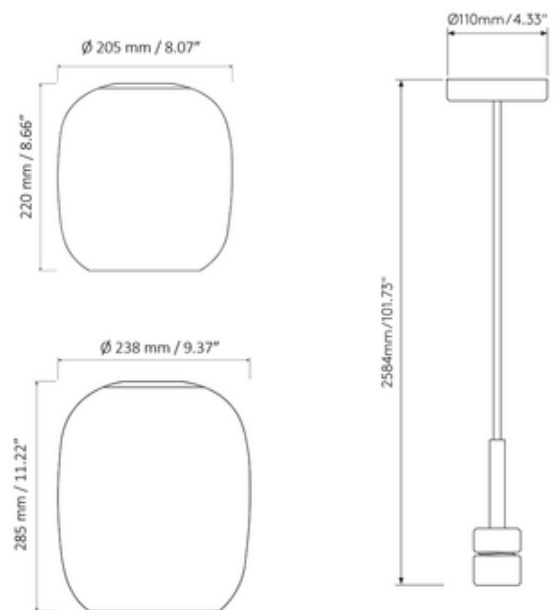

Crafted from die-cast steel and suspended on a thick braided cable, the Pendant Suspension 4 is a sleek, modern lighting solution for residential and commercial spaces including hotel lobbies, restaurants and bedrooms. The Bronze and Matte Black finishes offer a dark subdued aesthetic while the Matte Nickel is a lighter option that features knurled detailing on the socket for added texture. This pendant is available with or without a shade. The shade, made of pigmented glass, achieves striking depths of color for rich, warm illumination. Due to its organic nature, each shade has unique swirls or color variations that add artisanal character. Without a shade, this pendant offers a minimal exposed-bulb industrial look.
